PROGRAM OF THE 111TH AES CONVENTION

INTRODUCTION

The 111th Audio Engineering Society Convention took place at the Jacob Javits Convention Center in New York City, New York, November 30 - December 3, 2001. This preliminary program was designed to help you plan your trip to the 111th AES Convention.

This is available as a downloadable Excel file, by clicking [here](#). This calendar (in Excel) includes drop down boxes which contain details of the sessions. If Microsoft Excel is not installed on your computer, you may download a free Excel viewer from the Microsoft website by clicking [here](#). The size of this downloadable file is 4 MB.

A [PDF](#) of the calendar is also available.

At the Convention

The on-site Registration Desk was located in the Crystal Palace at the Convention Center. Registration hours were listed on the convention calendar. Cash or credit cards (Amex/MasterCard/Visa) were used for on-site registration.

Individual Workshop and Papers Tickets

Attendees who were registered for exhibits attended individual workshops and papers sessions by paying a \$35 fee per workshop or paper at the Education Desk. The calendar listed the wide array of topics to be discussed.

Meetings Held In Conjunction with the 111th Convention

Annual AES Business Meeting:

The Annual AES Business Meeting was held on Friday, November 30 at 8:30 am and was open to all AES members in good standing.

Technical Committee Meetings:

Coordinated by the AES Technical Council, the technical committees track trends in audio in order to recommend to the Society special papers sessions, standards, projects, publications and awards in their fields. The TC meetings were open to all convention registrants and a meeting schedule was available at [111th TC Meetings](#).

Standards Committee Meetings:

Audio Engineering Society Standards Committee meetings, subcommittee meetings and working groups were open to the public. The working group meetings begin two days before the opening of the Convention. The time and locations of the meetings were updated regularly on the [AESSC](#) web page.
