## CHAIRMAN’S WELCOME

**Dear Colleague,**

The 104th AES Convention is rapidly approaching. For the second time in Amsterdam, appointed by Convention participants and送往现场交流和技术教育项目，你可以在现场看到这些技术。

This year the AES Golden Anniversary is celebrated, marking the 50th Anniversary of the Audio Engineering Society. The AES Convention is an absolute must and the event to be attended. The Netherlands Student Section produced a competition of recordings in the categories classical and pop / jazz that will show you quickly up to speed in specific technology areas. Check the website of the AES Convention for further details.

Planning your trip to Amsterdam

The Convention is right in the middle of springtime and the tourist season is in full swing. It is tulip time and the weather is usually quite nice. Bring a raincoat, just in case. Any travel agency will be able to provide you with brochures pointing out the many tourist attractions in The Netherlands, and Amsterdam in particular. To offer you the best possible services, we have included a day-by-day listing of activities for further details.
