If it's about
PROJECT STUDIOS
it's at **AES**.

Join the AES in New York

Celebrating our 65th year, the AES Convention will once again host the world's largest gathering of audio professionals, attracting attendees from around the globe. This year's convention will be bigger and better than ever, as the top names in professional audio engineering converge for the latest audio innovations through workshops, tutorials, technical papers, booth exhibits and product showcases.

Latest News

Project Studio Expo Rocks the 135th Audio Engineering Society Convention

Presented in association with Sound On Sound, the Project Studio Expo is designed to assist home recordists in approaching their tools

Hear Technologies @Hear_Back
It's nearly here! @AESorg Show starts in two weeks, and we can't wait to nerd out with fellow pro audio friends. We'll be at booth 336 along with all the Hear gear to try out hands on.
See you in NYC! #proaudio #audioengineer
