SOUND AND STORY, AMPLIFIED

Do your interests or work include Broadcast and Streaming, Networked Audio, Audio for Virtual and Augmented Reality, Live Sound, Studio Recording, Home Recording, Music Production, Game Audio, Sound for Picture or Product Development? AES New York 2018, the 145th Audio Engineering Society International Convention has you covered in one exclusively end-user focused event.

All Access registration provides access to the entire Convention, including a comprehensive papers, workshops and tutorials program. Exhibits-Plus access gains you entry to the exhibition floor and demo rooms, where leading manufacturers reveal and demonstrate the latest in audio hardware and software tools. The "Plus" includes the application-oriented sessions on the exhibit floor Expo theatres and Pavilions, along with other special events.

AES New York 2018 will be co-located with the independent NAB Show New York 2018 event. In an adjacent exhibition hall, NAB Show New York exhibitors will be on hand with the latest video and distribution hardware and related sessions. Your Exhibits-Plus or All Access AES New York registration includes access to both exhibition halls.
